Admin

User Reference

Admin functionality consists of four main sections

Admin Management

Edit Teams

Edit Questions

Host Game

Admin Management

Adding/Deleting Admins, Changing Passwords

The screenshot shows a web application for managing admins. At the top, there's a navigation bar with links for Trivia!, Edit Teams, Edit Questions, Host Game, and a Welcome Admin dropdown. The dropdown menu includes Logout and Admins, with Admins highlighted by a yellow circle. Below the navigation is a large central area.

The main area has two sections:

- Admins:** A table with columns for User Name, Delete, and Change Password. It shows one row for "lisa".
- Account Settings:** A section with a "Change Your Password" button.

Users with Admin permissions can:

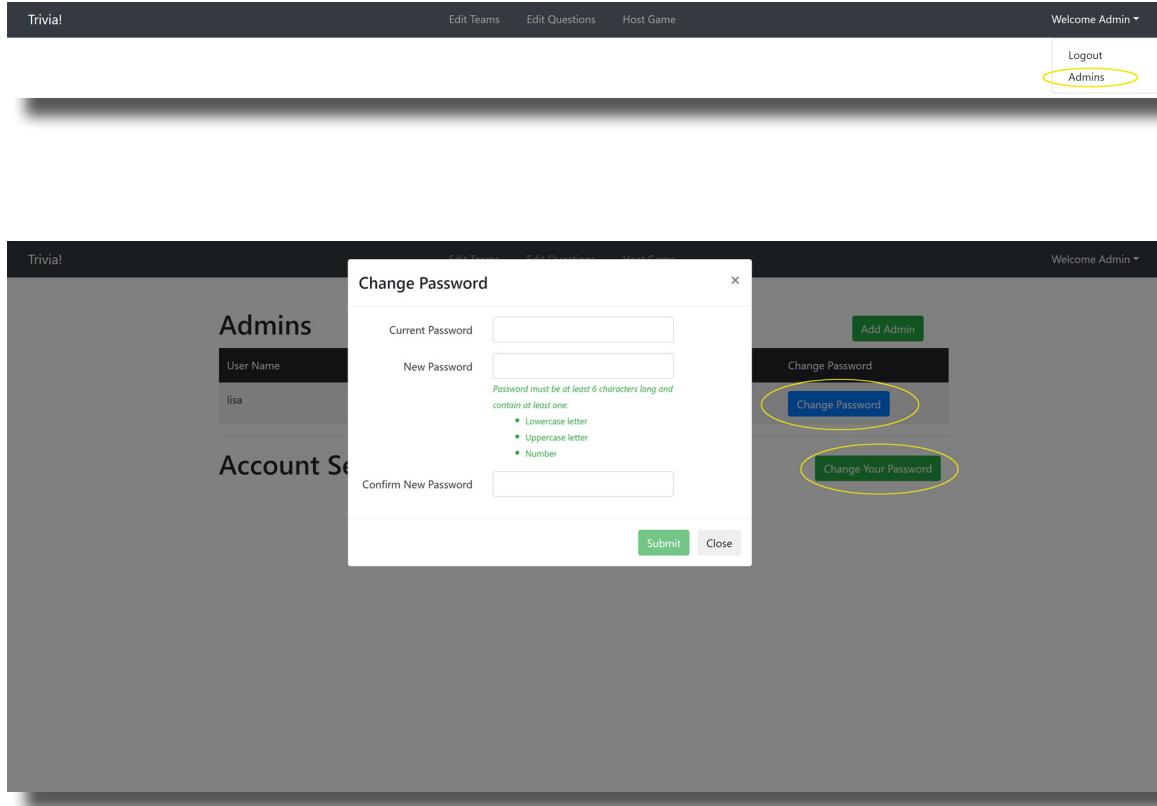

- Change their own password

Users with Superadmin permissions can:

- Change their own password
- Change an Admin's password
- Create an Admin
- Delete an Admin

Admin Management

Adding/Deleting Admins, Changing Passwords

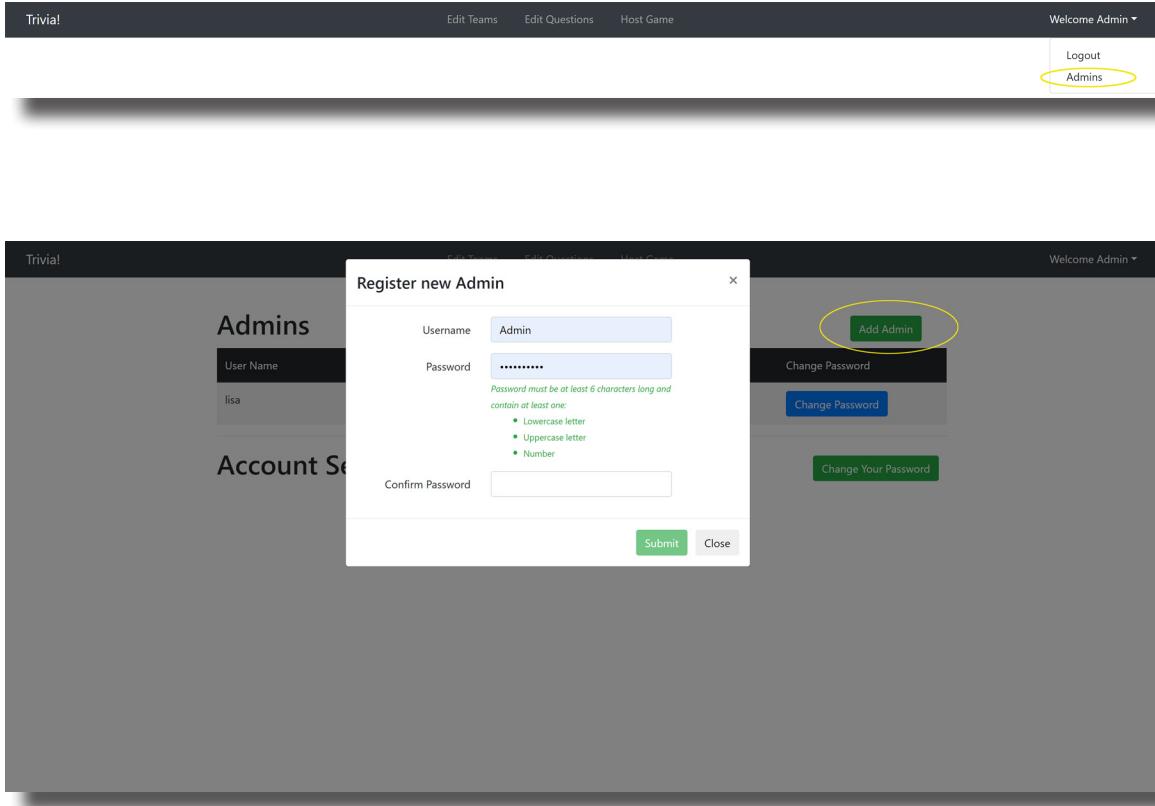

Change password

Admin passwords must:

- Be at least 6 characters long
- Contain at least 1 lowercase letter
- Contain at least 1 uppercase letter
- Contain at least 1 number

Admin Management

Adding/Deleting Admins, Changing Passwords

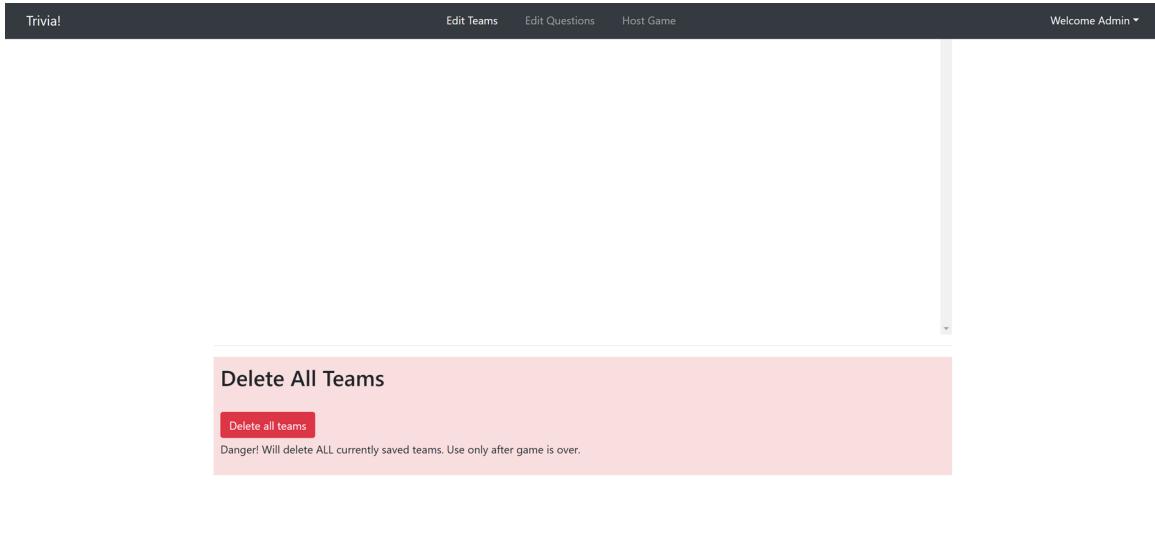

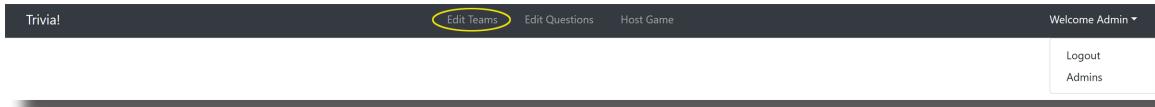

Register new Admin

Admin passwords must:

- Be at least 6 characters long
- Contain at least 1 lowercase letter
- Contain at least 1 uppercase letter
- Contain at least 1 number

Edit Teams

Delete and Edit Teams From Current and Previous Games

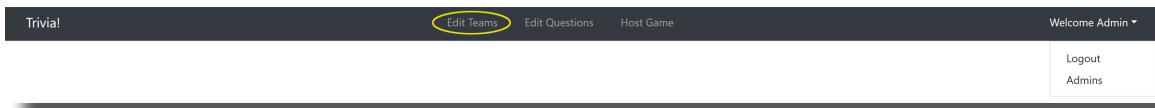

Delete all teams

Delete all teams button:

- Deletes all saved teams
- All teams from previous games must be deleted before opening registration for a new game
- Deleting teams is permanent and prompts confirmation

Edit Teams

Delete and Edit Teams From Current and Previous Games

A screenshot of the "Edit Teams" page. At the top, it says "Edit Teams" and "Current Teams". Below that is a table with the following data:

Team Name	Table	Answers	Wagers	Delete	Edit Score
team1	1	1. Aphrodite 2. brown	1 5	<button>Delete</button>	<button>Edit</button>

Current teams

Current teams section:

- Displays all currently registered teams with updated answers and wagers during gameplay
- A registered team that is deleted will be exited from the game and routed to the team registration page
- A registered team's total score can be edited at any point during game play

Edit Teams

Delete and Edit Teams From Current and Previous Games

The screenshot shows the Trivia! application interface. At the top, there's a navigation bar with links for 'Trivia!', 'Edit Teams' (which is highlighted with a yellow circle), 'Edit Questions', and 'Host Game'. On the right, it says 'Welcome Admin' with options for 'Logout' and 'Admins'. Below the navigation, the main content area has a title 'Edit Teams' and a sub-section 'Current Team'. A modal window titled 'Edit team team1' is open, containing a text input field with '0' and buttons for 'Submit' and 'Close'. In the background, a table lists teams with columns for 'Team Name', 'Table', 'Answers', 'Wagers', 'Delete', and 'Edit'. The 'Edit' button for 'team1' is highlighted with a yellow circle.

Edit team

Edit team window:

- Displays the selected team's current score
- Once submitted, the selected team's current score will be updated to the total score entered

Edit Questions

Delete Questions From Previous Games, Add and Edit New Questions

A screenshot of the "Edit Questions" page. It displays a list of six questions. Each question has a row of buttons: "Delete" (red), "Update" (blue), and a dropdown menu. The questions are as follows:

- 1. Super prefix to signify an extreme? (Category: Geography, True/False: false, Question: Which African country was formerly known as Abyssinia?, Answer: Ethiopia)
- 2. Ultra (Category: Entertainment, True/False: false, Question: Which singer's real name is Stefani Joanne Angelina Germanotta?, Answer: Lady Gaga)
- 3. Mega (Category: History, True/False: true, Question: Which U.S. president said "I'm not a crook?", Answer: Abraham Lincoln)

A modal window titled "Delete All Questions" is open at the bottom, containing a red button labeled "Delete all questions" and a warning message: "Danger! Will delete ALL currently saved questions. Use only before adding questions for a new game."

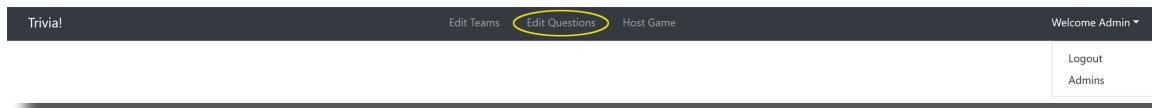

Delete all teams

Delete all questions button:

- Deletes all saved questions
- All questions from previous games must be deleted before adding questions for a new game
- Deleting questions is permanent and prompts confirmation

Edit Questions

Delete Questions From Previous Games, Add and Edit New Questions

A screenshot of the 'Edit Questions' page. At the top, it says 'Edit Questions' and has a note: 'Adding or editing questions during game-play is not recommended'. Below that is the 'Add New Question' form with fields for 'Category' (a dropdown menu), 'Content' (a text area), 'Bonus/Final Question' (a checkbox), 'Multiple Choice' (a checkbox), 'Answer' (a text area), and a 'Submit' button. Below the form is a section titled 'Current Questions' with a note: 'Note: Bonus/Final Questions must be positioned at numbers 10 and 20'. There is a 'Save Order' button on the right.

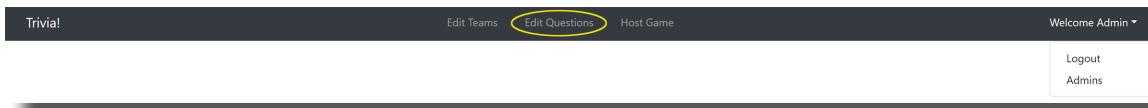

Add new question

Add new question section:

- New questions must be added/edited before opening registration for a new game
- All new questions submitted will be saved in the order they are added
- Checking the 'Multiple Choice' checkbox expands the form to specify up to 5 multiple choice options

Edit Questions

Delete Questions From Previous Games, Add and Edit New Questions

A screenshot of the "Edit Questions" page. At the top, it says "Edit Questions" and includes a note: "Adding or editing questions during game-play is not recommended". Below that is a section titled "Add New Question". It has fields for "Category" and "Content", both with empty input boxes. There is a checkbox for "Bonus/Final Question" which is unchecked. A checked checkbox for "Multiple Choice" is highlighted with a yellow circle. Below this, there is a field for "Multiple Choice Answer" with the placeholder "enter number of correct answer" and an input box. There are five fields labeled "Option 1" through "Option 5", each with an input box for entering text.

Add new question

Add new question section:

- New questions must be added/edited before opening registration for a new game
- All new questions submitted will be saved in the order they are added
- Checking the 'Multiple Choice' checkbox expands the form to specify up to 5 multiple choice options

Edit Questions

Delete Questions From Previous Games, Add and Edit New Questions

Number	Category	Bonus/ Final?	Question	Multiple Choice?	Options	Multiple Answer	Answer	Update/ Delete
1.	Mythology	false	Who was the ancient Greek goddess of love and beauty?	true	1. Aphrodite 2. Calliope 3. Athena 4. Calypso	1	Brown	<button>Delete</button> <button>Update</button>
2.	Food	false	What is the rarest M&M color?	false				<button>Delete</button> <button>Update</button>
3.	Language	false	What is the Latin word for 'beyond', often used as a prefix to signify an extreme?	true	1. Extra 2. Super 3. Ultra 4. Mega	3		<button>Delete</button> <button>Update</button>

Current questions

Current questions section:

- Displays all currently saved questions
- Current questions can be reordered by dragging them to a new position and clicking the 'Save Order' button
- Leaving the Edit Questions page before saving order changes will prompt confirmation

Edit Questions

Delete Questions From Previous Games, Add and Edit New Questions

The screenshot shows the Trivia! application interface. At the top, there's a navigation bar with 'Trivia!', 'Edit Teams', 'Edit Questions' (which has a yellow circle around it), 'Host Game', and a 'Welcome Admin' dropdown. Below the navigation is a main content area. On the left, a sidebar shows 'Current Qu' with a note about bonus/final questions. The main area displays three questions: 1. Mythology (Category: Mythology, Content: Who was the ancient Greek goddess of love and beauty?, Answer: 1, Options: Aphrodite, Calliope, Athena, Calypso, Option 5 is empty), 2. Food (Category: Food), and 3. Language (Category: Language). To the right of the questions is a modal window titled 'Edit Question' with fields for Category, Content, and Answer. Below the modal is a table with rows for 'Answer' and 'Update/Delete'. Each row has a 'Delete' and 'Update' button. The 'Update' button for the first row is circled in yellow.

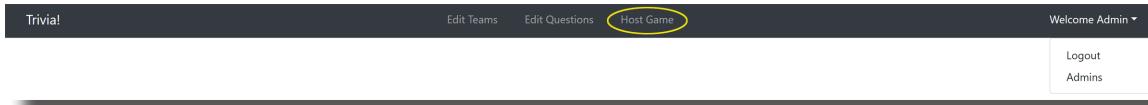

Edit question

Edit question window:

- Any current question can be updated using the 'Update' button located next to it
- Updating a multiple choice question to an input question or vice versa is not currently available

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

A screenshot of the "Game control" section within the Trivia! application. At the top, it says "A new game must be created before opening team registration" and includes a note about deleting previous games. Below this are three buttons: "Create a new game" (highlighted with a yellow circle), "Open team registration", and "Close team registration". Further down, there is a "Current Question" section with a table header row containing columns for Number, Category, Question, Multiple Choice?, Options, and Multiple Answer. The "Create a new game" button is also highlighted with a yellow circle in this screenshot.

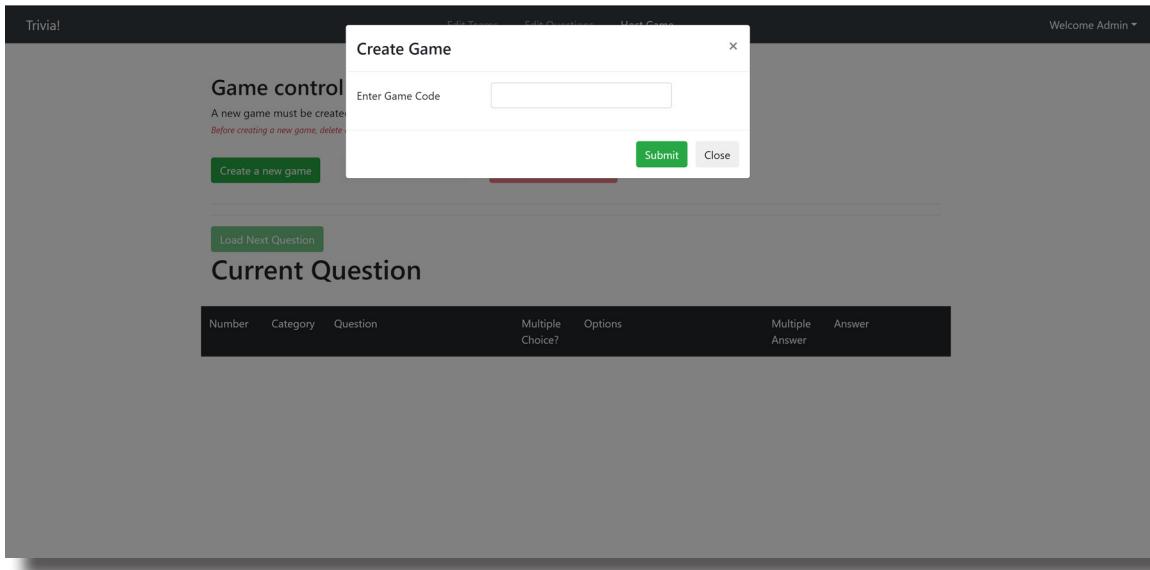

Create new game

Create new game button:

- A new game must be created on the day it is hosted
- If a valid game exists, the button will be disabled
- A window will open to enter a game code for the new game

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

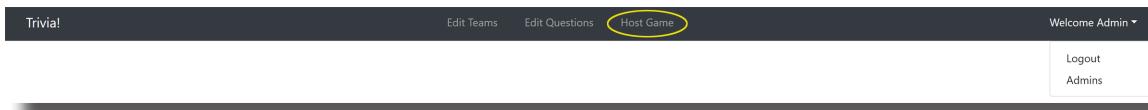

Create Game Code

Create game code window:

- Are used to allow teams to register for the game
- May be of any length and composition, and are not case sensitive
- Reusing game codes is allowed, but not recommended for security reasons

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

A screenshot of the "Game control" section of the Trivia! application. At the top, it says "A new game must be created before opening team registration" and "Before creating a new game, delete any teams from previous games". Below this are three buttons: "Create a new game" (green), "Open team registration" (white with a blue border, highlighted with a yellow circle), and "Close team registration" (red). Further down, there is a "Game code:" input field containing "*****" and a "Show game code" button. At the bottom, there is a "Load Next Question" button and a "Current Question" section. The "Current Question" section has a table with columns: Number, Category, Question, Multiple Choice?, Options, and Answer. One row is visible: "2. Food What is the rarest M&M color? false Brown".

Number	Category	Question	Multiple Choice?	Options	Answer
2.	Food	What is the rarest M&M color?	false		Brown

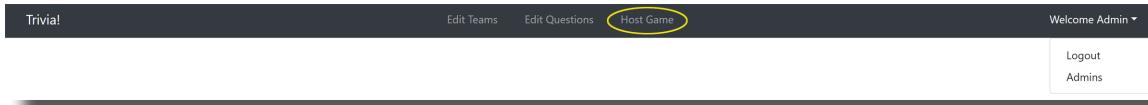

Open registration

Open registration button:

- Allows teams to register for the current game
- Will be disabled if registration for the current game is already open

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

A new game must be created before opening team registration
Before creating a new game, delete any teams from previous games

Create a new game Open team registration Close team registration (circled in yellow)

Game code: Show game code

Load Next Question

Current Question

Number	Category	Question	Multiple Choice?	Options	Multiple Answer	Answer
--------	----------	----------	------------------	---------	-----------------	--------

Please close registration before starting game

Close registration

Close registration button:

- Closes registration for the current game
- Will be disabled if registration for the current game is already closed
- Registration must be closed before loading game questions to prevent mid-game registration

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

The screenshot shows the 'Current Question' window. At the top, there is a green button labeled 'Load Next Question' with a yellow circle around it. Below it, the section title 'Current Question' is displayed. A table lists a single question:

Number	Category	Question	Multiple Choice?	Options	Multiple Answer	Answer
1.	Mythology	Who was the ancient Greek goddess of love and beauty?	true	1. Aphrodite 2. Calliope 3. Athena 4. Calypso	1	

Current Teams

Team Name	Table	Current Score	Answer	Correct	Incorrect

Load question

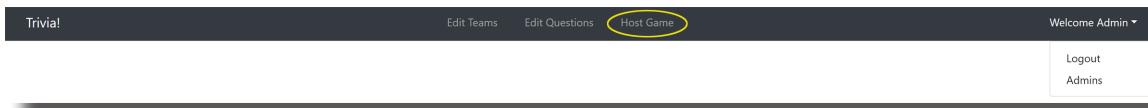

Load next question button:

- Loads the first or next question to the currently registered teams and starts their timers
- The current question will display in the Current Question window

Note: After the first question is loaded, navigating to other areas of the app is permitted, but logging out of the app entirely will disrupt game play

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

The screenshot shows a 'Current Question' section with a table. The columns are: Number, Category, Question, Multiple Choice?, Options, Multiple Answer, and Answer. The data for row 2 is: 2., Food, What is the rarest M&M color?, false, (empty), Brown.

The screenshot shows a 'Current Teams' section with a table. The columns are: Team Name, Table, Current Score, Answer, Correct, and Incorrect. The data for team1 is: team1, 1, 1, pending..., Correct, Incorrect.

Current teams

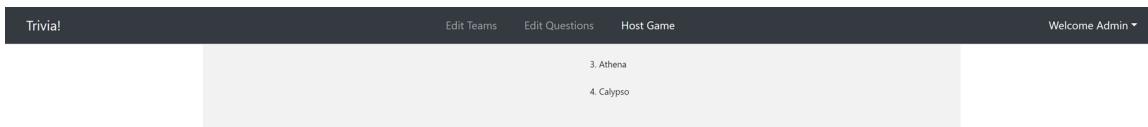

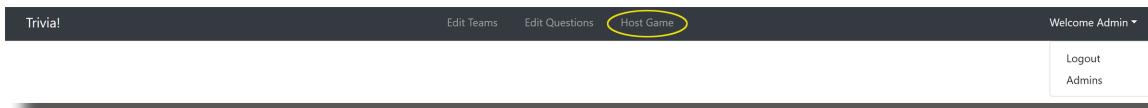

Current teams section:

- Displays up-to-date information on the currently registered teams, ordered by descending current score
- After the timer has run out, the teams' answers will change from 'pending' to their submitted answer, and the 'Correct' and 'Incorrect' buttons will be enabled
- After scoring a team's answer, their answer will change back to 'pending', and the scoring buttons will be disabled

Note: To preserve the integrity of the timer and to discourage cheating, teams are instructed not to navigate from the 'game play' page or refresh the page. Teams that do so will have their registration revoked, will be deleted from the current teams, and be routed to the team registration page

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

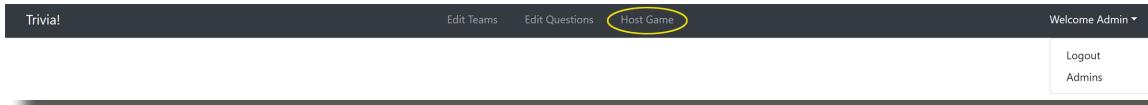

Current Teams

Team Name	Table	Current Score	Answer	Correct	Incorrect
team1	1	0	pending...	Correct	Incorrect

Current teams

Host Game

Create A New Game, Control Registration, Load Questions and Score Answers

The screenshot shows a section titled 'Current Teams' with a table. The table has columns: Team Name, Table, Current Score, Answer, Correct, and Incorrect. One row is visible: 'team1' is in Table 1 with a score of 0, the answer is 'Aphrodite', and there are 'Correct' and 'Incorrect' buttons below it.

Team Name	Table	Current Score	Answer	Correct	Incorrect
team1	1	0	Aphrodite	Correct	Incorrect
